Sponsored by:  **HealthCARE**
of Iowa Your Senior Living Partner

Ensure compliance and empower your team with the Assisted Living Nurse Delegation Training that meets Iowa Assisted Living Regulation 481-69.29(6). Required for all new delegating nurses hired after January 1, 2010, this course provides 6.75 hours of essential training on Iowa rules and regulations governing assisted living. Each program must have at least one delegating nurse complete the training, and if there are multiple delegating nurses, the trained nurse will be responsible for sharing their knowledge of the rules with the others.

This in-person training offers a focused, hands-on learning experience, equipping delegating nurses with the tools and understanding they need to lead confidently and meet state standards. Don't miss the opportunity to fulfill this regulatory requirement and elevate your team's capabilities. Register now and ensure your program is compliant and your staff is prepared for success!

- Review the Assisted Living current rules, trends and updates.
- Explore nurse delegation and medication management in the ALP.

AGENDA

October 9, 2025	
8:30 a.m. – 12:30 p.m.*	Assisted Living Administrative Rules, Trends and Updates (Linda Kellen, Department of Inspections, Appeals, and Licensing) Knowing the regulations and understanding the monitoring process will assist in maintaining a focus on quality tenant services. A review of what to expect during this process and the documentation needed to be successful will be held.
12:30 - 1 p.m.	Lunch (included)
1 - 4:15 p.m. *	Medication Management (Julie Johnson, Healthcare of Iowa) During this presentation, we will cover medication management in assisted living. We will also cover high risk medications, why they are high risk medications, and what you need to be aware of when tenants are receiving high risk medications.
	Nurse Delegation and its Use in Assisted Living (Julie Johnson, Healthcare of Iowa) Nurse delegation and its use in assisted living will be reviewed. The role of the assisted living nurse and direct care worker will be presented and how delegation can be used effectively.

*A 15-minute break will be scheduled during the morning and afternoon session.

FACULTY

Julie Johnson received her RN at Des Moines Area Community College. She has been a nurse consultant with Healthcare of Iowa, formerly Assisted Living Partners since June 2019. In her capacity, she completes regulatory compliance reviews, providing written reports with recommendations on improving assessments and tenant charts. Julie also goes to assisted living communities as an RN completing assessments, updating service plans, and implementing new systems. She has worked in long term care for many years (15+) serving as a director of nursing and director of assisted living. She is currently working on her BSN in nursing through Grand Canyon University.

Linda Kellen has been with the Department of Inspections and Appeals as a surveyor/monitor and bureau chief in the special services and adult services bureaus since 2008 and currently holds the position of bureau chief. As part of her current duties, Kellen oversees the division's complaint unit, direct care worker registry, and the abuse coordinating unit. Kellen is a registered nurse with a bachelor's degree from Morningside University in Sioux City, and a master's degree in administrative studies (health care emphasis) from the University of South Dakota. Prior to joining DIA, Kellen worked as chief operations officer for a brain injury rehabilitation facility in Sioux City and as director of nursing and staff nurse in other facilities and hospice in the Sioux City area.
