### Overview

This session of the Medicare Patient Driven Payment Model (PDPM) Master Class Series will focus on the financial implications of coding (or failing to code) various PDPM characteristics through a review of high risk variables impacting PDPM reimbursement. Actual PDPM audit trends and case studies will be reviewed to identify areas of potential missed opportunity, process lapses, and supportive documentation vulnerabilities. Operational strategies to promote PDPM compliance and coding accuracy in high impact areas will be emphasized.

### Learning Objectives

By the completion of the presentation, attendees will be able to:

- Identify common coding errors and supportive documentation vulnerabilities related to PDPM reimbursement.
- Review key operational strategies to drive compliance, coding and supportive documentation accuracy under PDPM in priority areas.

### Who Should Attend

Administrators, Directors of Nursing, Nursing, QA, MDS, Staff Development, Therapy, Social Services, Board Members, CFO/Business Office. Intermediate instructional level.

### Continuing Education Credit

Nursing Home Administrators – This session is intended to meet the criteria established by the Iowa Board of Examiners for Nursing Home Administrators for 1.25 contact hours. No partial credit allowed. Retain certificate for four years.

Iowa Board of Nursing Provider #67 – 1.25 contact hours. Providership regulations do not allow for partial credit to be given for any portion of this program. Retain certificate for four years.

For other long term support and service provider professionals not listed above:

Most licensure boards, credentialing agencies and professional organizations have processes that allow individuals to earn a certain number of CEUs for non-preapproved programs and/or to accommodate self-submission for approval of continuing education hours after the event takes place with proper documentation from the program sponsors. Most also require information objectives, date/time of presentation, agendas, faculty bios and number of hours earned. If you require information for this purpose, please contact Amy Huisman in advance for assistance.
