

# Welcome

The CDC revised guidance which removed the requirement to screen upon entrance. To help reduce the risk of transmission of respiratory illness within our community, please follow the guidance below:

## Staff

If you:

- Have tested positive for COVID-19 within the last 10-days, or
- Have symptoms consistent with a respiratory illness

Please do not enter the building. Call **[the charge nurse]** for further direction.

If you have had a high-risk exposure within the last 10 days, but are asymptomatic, please wear a mask and discuss with **[the Infection Preventionist]** for further direction.

## Visitors

If you:

- Have tested positive for COVID-19 within the last 10-days, or
- Have symptoms consistent with a respiratory illness, or
- Had close contact (15 or more minutes in 24 hours within 6 feet) of someone with COVID-19

Please defer your visit until 10 days after positive test, close contact or symptom onset. If your visit is urgent, please complete hand hygiene utilize a mask and see **[enter title]** for further direction.
