

LONG-TERM CARE OFFICE HOURS

Open office hours for long-term care facilities in Iowa

Purpose:

The Iowa Department of Health and Human Services (HHS) Healthcare Associated Infections (HAI) Team hosts monthly open office hours. The office hours provide an open forum where attendees can ask questions regarding **infection prevention and control** issues out loud or pose them in the chat feature.

Audience:

This forum is for the staff and representatives of long-term care facilities to ask questions related to **infection prevention and control practices** in their facility and is not limited to any one particular disease or condition.

Time & Place:

Open office hours will be held on the **first Tuesday of every month**, at **12:00 PM** central time. Each session will last **30 minutes**. *If the first Tuesday of the month is a holiday, the office hours will occur on the next Tuesday.*

Agenda:

Includes brief updates at the top of the hour, no longer than 5 to 15 minutes, with remaining time for questions. Attendees can join anytime during the 30 minute session to ask questions and are not required to stay the entire session.

Registration:

Attendees can register for the entire series with the following link:
