5006-21

This event is scheduled in a virtual, live-streaming webinar format. To meet the regulatory and education requirements, participants must stay for the entire event to receive credit. Sign-in and sign-out times, as well as attentiveness, will be verified before credit is issued. Contact [Amy Huisman](#) for details or questions.

Overview

Social distancing and isolation may be necessary during COVID-19, but it can be detrimental to our client's physical and cognitive health. Therapy plays an important role in the success of those who are isolated or unable to leave their living spaces. Therapists have the opportunity to work with clients in their living spaces to offer tools and treatment strategies to enable our clients to achieve their highest quality of life. This webinar provides an in-depth review of treatment ideas, home safety strategies to integrate into client care, ways to integrate technology into treatment sessions, and documentation principles for in-room sessions.

- Outline in room treatment ideas and then apply using a case example.
- Explain the importance of incorporating principals of home safety into an in-room treatment session.
- Describe ways to incorporate technology into an in-room treatment session.
- Outline the essential components of documentation in the medical record for in-room treatment sessions.

Who Should Attend

Nursing Home Administrators, DONs, Nurse Leaders, PT, OT, and SLP.
Appropriate for nursing home providers.

Faculty

Neely Sullivan, PT, CLT-LANA, CDP, Education Specialist, Select

Rehabilitation

Neely Sullivan has worked with diverse client populations ranging from pediatric to geriatric in a variety of clinical settings. These experiences have allowed her to treat and develop effective client care programs. She has served in multiple levels of regional and corporate management positions. In these positions, Neely has developed policies and worked closely with interdisciplinary teams to ensure that all clients have the opportunity to attain their highest level of function and quality of life. She has most recently been responsible for the identification, implementation, and evaluation of clinical programs in long-term care settings. Neely currently provides educational support to 13,000+ therapists nationwide as an Education Specialist for Select Rehabilitation. Neely has lectured nationally and at the state level on the topics of lymphedema management, documentation, denials management, ICD10 Coding, wound care management, and the role of rehabilitation with the LTC client. She has authored publications focusing on evidence-based practice and clinical care. Neely conducts audits, quality improvement planning, and clinical training to Select Rehabilitation employees and customers monthly. She is a member of the APTA including the Clinical Electrophysiology and Wound Management section and Geriatric section.

Continuing Education Credit

Nursing Home Administrators – This session is intended to meet the criteria established by the Iowa Board of Examiners for Nursing Home Administrators for 1 contact hour for each webinar. You must attend the entire session to receive credit. No partial credit allowed. Retain certificate for four years.

Iowa Board of Nursing Provider #67 – 1 contact hour for each webinar. Providership regulations do not allow for partial credit to be given for any portion of this program. You must attend the entire session to receive credit. Retain certificate for four years.

For other long term support and service provider professionals not listed above: Most licensure boards, credentialing agencies and professional organizations have processes that allow individuals to earn a certain number of CEUs for non-preapproved programs and/or to accommodate self-submission for approval of continuing education hours after the event takes place with proper documentation from the program sponsors. Most also require information objectives, date/time of presentation, agendas, faculty bios, and number of hours earned. If you require information for this purpose, please contact [Amy Huisman](#) in advance for assistance.

Registration Information & Fees

Register at www.LeadingAgeIowa.org. Fees are per connection at a campus. Registration instructions and handout materials will be sent to the contact person listed on the registration 1-2 days prior to the program.
