

Navigating MDS 3.0 Webinar Series

RAI Training for Nursing Facility Staff

October 19-21, 2022 • 11 a.m. – 3 p.m. CT

www.LeadinAgeIowa.org/MDSSeries

This event is scheduled in a virtual, live-streaming webinar format. To meet the regulatory and education requirements, participants must stay for the entire event to receive credit. Sign-in and sign-out times, as well as attentiveness, will be verified before credit is issued. Contact [Amy Huisman](#) for details or questions.

MDS 3.0 is a critical nursing facility assessment tool that can directly impact resident quality of care, survey outcomes, your publicly posted quality measures and your reimbursement. Make sure you and your staff know how to complete the MDS 3.0 accurately the first time. The MDS 3.0 training webinar course takes place over 3 days and presents the provider's perspective on this key assessment tool.

What Do People Say About This Class

Attendees raved about this class and presenter in the past. Following are just some of the comments:

"It is a very educational program filled with lots of information that is presented in an organized way that makes it easy to follow along and grasp the concepts."

"Demi was great in teaching this class. She went through the MDS and RAI by reviewing each section and question in the MDS and referred back to the RAI."

"What I liked best was the amount of information that was covered in an organized format. I also liked the detailed explanation of each area we covered. I look forward to applying the training received in this program while honing my MDS knowledge/training."

"Excellent program that gives a great overall explanation of the MDS!"

"It was presented in a way that beginners or non-MDS professionals could understand."

"This was a nice refresher!! It was also a good way for new MDS staff at my campus to dip their toes in. Thank you!"

"Very educational! This class is needed for all new to MDS such as I."
